CERTIFICATE UNDER 37 C.F.R. § 3.73(b)

Addition Technology, Inc., a California corporation certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of either:

A.  An assignment from the inventor of the parent application identified above. The assignment is being filed under separate cover and a copy thereof is attached.

OR

B.  A chain of title from the inventor(s), of the patent application identified above, to the current assignee as shown below:

1. From: Thomas A. Silvestrini To: KeraVision, Inc. This document was recorded in the Patent and Trademark Office at Reel 9285, Frame 0753, or for which a copy the Assignment is attached.

2. From: KeraVision, Inc. To: Addition Technology, Inc. This document was recorded in the Patent and Trademark Office at Reel 011911, Frame 0395.

Additional documents in the chain of title are listed on a supplemental sheet.

Copies of assignments or other documents in the chain of title are attached.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of the undersigned's knowledge and belief, title is in the assignee identified above.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
